Second Friday and 'Columbarium' Presentation — March 14th

While observing Lent, we will honor the season with a vegetarian Soup & Salad dinner.

In addition, Mr. Dave Bishop of Columbarium Designers, Inc. will give a brief presentation of Holy Trinity's proposed Columbarium, as well as answer questions and show samples of suggested materials.

From the Senior Warden

A men's group at Holy Trinity has recently been organized with an objective of meeting on a regular basis to plan events, socialize, participate in Bible study, and generally become an important force to support the objectives of making worship available to others not regularly attending worship services. The first meeting was prior to the spaghetti dinner where we had eleven men gather to decide on a schedule for future meetings and the topic for our next meeting. The next meeting will be held on the third Friday of March in Scott-King Hall where Fr. Brad will lead a discussion on what the Bible tells us about the man's duties and participation in the operation of the church. The date is March 21st and the meeting will start at 4:45 pm. We hope to grow into a very active organization where men can look forward to good times together and offer opportunities to bring friends and enjoy good fellowship.

Since we are in a very early stage of planning we would like as much input as possible as a way to guide the men's group for future events and activities. We welcome all men and young adults to our next meeting to participate in the discussion/bible study and offer ideas for future meetings.

We were very pleased with the participation at the spaghetti dinner. There were approximately 65 members and friends and the fellowship

was outstanding. Many folks stayed long after the dinner was complete and all seemed to enjoy relaxing after dinner in conversation.

The men's group, yet to be named, did agree that any profits from the spaghetti dinner would be donated to Fr. Brad's discretionary fund. We were able to contribute \$125.00 which Fr. Brad was very appreciative to receive.

We would like everyone to know of our plans and if anyone has any ideas for future activities please send us your input and bring your friends too.
