## Driftwood Needed...

We have commissioned our own artist, Rosemary Skidmore, to create a crucifix for Scott-King Hall to be made of driftwood. Please consider donating your driftwood for the project. We need any size, shape and color, etc. If you don't have any driftwood to donate, please consider going on a scavenger hunt on the beach. The more Rosemary has to work with, the better the final product will be. **Thank You!**
