

Trinity Times Weekly Edition

Fourth Sunday in Lent
Week of March 22, 2020

Holy Trinity Anglican Church & Lindisfarne Hall
Fernandina Beach, Florida

A Word from the Rector in the Era of Coronavirus

Grace and peace to you from our Lord Jesus Christ. I write these words in the midst of the most extraordinary event of our lifetime. The COVID19 Pandemic has brought the economies of the world to a sudden halt. Many of us are out of work or sheltering in place. Others of us are working in the hospitals and clinics and retirement communities to tend the sick and the most vulnerable. The news and advice from our government leaders is updated with changes almost by the hour. The word I hear most in describing our situation is surreal—*marked by the intense irrational reality of a dream.*

However, there is one thing in our lives today which is not surreal. Jesus Christ—the Salvation he has won for us, and the promises he has made to us—is more real and more reasonable than any of the external forces arrayed against this world. Our days may be uncertain, but our God is “a mighty fortress” and a “stronghold”, “a very present help in times of trouble.” As we prepare for the celebration of the Lord’s Day without public worship services, I ask you to contemplate Psalm 46 in the beautiful Coverdale translation found in the Book of Common Prayer on page 397:

Deus noster refugium

God is our hope and strength, a very present help in trouble.

Therefore will we not fear, though the earth be moved, and though the hills be carried into the midst of the sea, though the waters thereof rage and swell, and though the mountains shake at the tempest of the same.

There is a river, the streams whereof make glad the city of God, the holy place of the tabernacle of the Most Highest.

God is in the midst of her; therefore shall she not be removed. God shall help her, and that right early.

If anyone falls ill, please notify the parish offices immediately. If you have any need, we have volunteers who can minister to you, bring items from the pharmacy or grocery store, or take you where you need to be. These are the times when I am most grateful to God for our loving parish family at Holy Trinity Church. I am praying for your well-being and your happiness in the Lord. ~Fr. Brad+

Extraordinary Worship in Extraordinary Times

Sunday Morning—The Clergy will celebrate Mass at 8:00 AM with the intention of live-streaming the service through Facebook Live. We will also pray the Litany with prayers for this time of “great Pestilence and Mortality.” This video will also be recorded and posted to the internet where it can be accessed at any time. Parishioners and friends will receive an emailed link to join the live-stream or watch later. Also, please check your email for a link to a PDF document called [Spiritual Communion](#) which will assist in participation in a virtual worship service.

Wednesday—The Clergy will celebrate the Midweek Mass and livestream through Facebook Live, including special prayers for the dangers of the day.

Friday—The clergy will live-stream the Stations of the Cross at noon.

A Word From The House Of Bishops

Received Friday, March 20th

“To all APA Clergy from the House of Bishops,

“We are aware that some of our Priests are reluctant to close their churches for Sunday Eucharistic Worship. Understandably so. However, with the extraordinary circumstances we face at this time, it is now essential. We remain in the ascendancy phase of this deadly virus which has now spread to the younger people along with the high risk group of the elderly. Therefore, in consultation with your APA Bishops, we have agreed that we make this directive perfectly clear. For the safety and protection of both our parishioners and our Clergy, all forms of in-person worship must be suspended for the next two weeks. After that time, we will re-evaluate where we are in light of the CDC and Government recommendations. We encourage you to use the Office for Daily Morning Prayer or Evening Prayer and the Form for Spiritual Communion. Please join us in doing our part in overcoming the Coronavirus.”
